### Bathhouse, Pool Voted For Carson

Plans and specifications have been approved for a heated swimming pool at Carson Park to provide additional recreational facilities for residents — especially children — of the Carson area, Supervisor Kenneth Hahn announced today.

The fan-shaped pool will be 75 feet long, 60 feet wide at the shallow end and 42 feet wide at the deep end.

The depth will vary from 2½ feet to 10 feet.

"This new swimming pool will provide an area where youngsters can learn to swim under the watchful eyes of lifeguards," Hahn said.

Carson Park, 21411 S. Orick Ave., was opened after the Carson area was added to Hahn's district in June, 1963.

A bathhouse will be built adjacent to the pool to house boys' and girls' dressing rooms, showers, and an office.

When the pool is constructed — approximately seven months after a contract is awarded — Hahn hopes to arrange for children attending the adjacent Carson Elementary School to receive instruction in water safety during the school day.

### Put Works On Display

Drawings by four of "The Insiders," Rico Lebrun, Jose Luis Cuevas, Nicol Allan, and Connor Everts are on exhibition through Jan. 26 at the Palos Verdes Library Gallery, 2400 Via Campesina, Palos Verdes Estates.

"The Insiders" take their name from a book by art critic Selden Rodman, and purport to be involved with the external and internal world of humans. They are seeking to communicate with man about man and do not concede to the fashionable art forms of the day, they say.

The exhibition is presented by the Palos Verdes Community Arts Association, Gallery hours are 3 to 5 p.m. on Sundays and 1 to 4 p.m. weekdays.
